81	Adlington primary school host a fantastic outdoor cinema experience for children and their families and provide Bbq food and refreshments. Families are able to bring own blankets and chairs and watch the film and the kids are able to run around on the school field and use play apparatus as well. Adlington School also hosted a circus event last year too which was fantastic with stalls selling hot / cold food and beverages. These tickets are not just for the school but they open them up to young families in the local area which us how we were able to attend and we hear about them via our local Bollington Facebook group, however all ticket sales and proceeds go to the PTA for Adlington primary school	1/16/2023 2:00 PM
