## A MESSAGE FROM THE PTA

*Thank you to the whole school community for helping to raise funds for the Prestbury School PTA Charity. This year has been another fabulous year of fundraising and fun family events.*

*Together we have raised a fantastic amount, which all goes towards enhancing our children's experiences at school. We have given the children memories to treasure with their friends and families as well as building our school community.*

# OUTDOOR LEARNING AND WILD AREA PROJECT

We are most proud of being able to contribute to the development of the outdoor learning space. This has been a 3 year project so far, with previous PTA committees funding the build of the outdoor classroom in 2022 and then with the last 2 year development and funding of the garden space and wild area.

Your funds have helped to level and turf the area in front of the outdoor classroom to make it a safe space for the new gathering circle which will be a covered area with seating for children to gather and learn outdoors. As well as this, the PTA team, along with some volunteers, cleared the area behind the classroom to create a space for a wild area. The new loose parts resources and storage sheds will be situated here for children to access during outdoor exploratory lessons and independently during playtime.

We can't wait to see this area being used by the children!

Thank you
