

# PRESTBURY CE PRIMARY SCHOOL

## AUTUMN 24 - SUMMER 25

## PTA Review

*Thank you to our wonderful school community for your incredible support in raising funds for the Prestbury School PTA Charity. It's been another fantastic year filled with successful fundraising and fun, family-friendly events - all made possible because of you!*

*In our very first year as a PTA group, we've raised an incredible amount - which all goes towards enriching our children's experiences at school. Along the way, we've helped create special memories for them to share with friends and family, while also strengthening the bonds within our wonderful school community.*

# A 2 YEAR OUTDOOR PLAY EQUIPMENT PROJECT

At the start of the academic year, it was agreed that most of our fundraising efforts would go towards upgrading the play equipment for both KS1 and KS2, with the understanding that this will be a two-year project. The plan is to work closely with the school over the coming year to make this happen, ensuring that both children and parents have a voice in the decision-making process.

Thank you
