

## Post AGM Feedback

The Annual General PTA meeting took place last week Thursday. Thank you to Miss Townes, parents and guardians who attended the meeting both in person and online via Teams.

The PTA fundraising efforts from the start of this school year to date have already raised a total of **£1,239.17** with breakdown as follows:

Parents welcome meetings: £191.20

Autumn Social: £1,047.97

It is because of all parents and guardians generosity and support that we are able to do so, so **Thank You**.

After the half term break, our focus will be all things Christmas including the Christmas Fayre, Christmas Wreath Making and Elfridges.

We will also share more information on how the PTA funds are being utilised to support all our children's continued learning and wellbeing, we hope that this will entice more parents to get involved and support the PTA fundraising activities going forward.

We hope you all have a good half term break.

PTA Team: Tomi, Shenelle and Chelsea
